

PACKAGING LABELING GUIDELINES

Environmental Labeling

In Italy, on 11 September 2020, the legislative decree 3 September 2020, n. 116, which transposes EU directive 2018/851 on waste, and directive (EU) 2018/852 on packaging and packaging waste. All packaging must be appropriately labeled according to the methods established by the applicable UNI technical standards and in compliance with the decisions adopted by the Commission of the European Union, to facilitate the collection, reuse, recovery and recycling of packaging, as well as to give correct information to you consumers on the final destinations of packaging via digital channel.
